Private Discovery Snorkel

During this private activity, you will explore breath-taking Baie Lazare and discover it's wonderful marine creatures. Learn more about our conservation efforts and be provided with lasting memories of the adventure as your expert guide captures photos during the activity

Price: 30€ per person - Up to 4 guests
Booking on Request - Meet at the Marine Discovery Centre
Duration: 90 mins

Marine Biologist on-Board

Embark on an enriching adventure with our Marine Biologist on-Board activity. This is a unique opportunity to ask our experts all about the marine fascinating underwater world that surrounds Mahé Island, and to learn more about corals, fish, sharks, rays, whales, and more! Explore the water together to spot unique species and witness captivating behaviour during this fully immersive experience.

Unique opportunity to spot whale sharks from June to October!

Price: 70€ per person - From 1 guest onwards

Private boat option available on request

Booking on Request - Meet at the Marine Discovery Centre

Duration: 3h

Snorkel Secrets of Mahé

Embark on a personalised journey to explore the top snorkelling locations on the island, accompanied by your private Marine Biologist. Experience a scenic drive through Mahé to uncover its secret snorkelling treasures and have the opportunity to experience amazing marine encounters and discoveries in the water alongside your guide

Price: 275€ per excursion - Up to 4 guests
Booking on Request - Meet at the Marine Discovery Centre
Duration: 4 hours - Half-day excursion

Group Guided Snorkel

Grab your mask and fins and join our Marine Biologist on an introductory group guided snorkel to discover the gorgeous Baie Lazare! Enjoy the crystal waters and their vast marine life, whilst learning more about the reef inhabitants, and our marine conservation efforts.

Price: 10€ per person - Up to 8 guests - Booking Advised
Monday, Wednesday & Friday at 10:30 am - Meet at the Marine Discovery Centre
Duration: 60 mins

Learn to Snorkel

With a large shallow area, Baie Lazare is the perfect place to discover, or re-introduce yourself, to the underwater world. Whether you are a non-swimmer, first-time snorkeler, or would simply like to refresh your skills, let our resident Marine Biologist accompany you into the water and boost your confidence in using equipment, and in your ability to snorkel

Price: 20€ per person - 1 to 1 advised, adaptable on request
Booking on Request - Meet at the Marine Discovery Centre
Duration: 60 mins

Coral Adoption

Contribute to marine conservation by adopting your own coral fragment! Our Reef Restoration Project in Baie Lazare aims to restore the surrounding coral reef to protect the diversity of corals, and the many species that call the area home! By sponsoring our project, you will leave a lasting legacy – a gift for nature, a gift for the future.

1 coral - 20€

1 nursery line (6 corals) - 80€

1 frame (18 corals) - 120€

Booking on Request - Meet at the Marine Discovery Centre

Duration depending on option - Enquire with the Marine Biologist

Promise to the Reef

Join our Marine Biologist to learn about impacts of climate change on our blue planet. Discover we can all make a difference and following on from these conversations, make a "Promise to the Reef", committing to a sustainable change towards a healthier future.

Price: 10€ per person

No Booking Required - Join us at the Marine Discovery Centre

Duration: 15 mins

Eco-participation

The WiseOceans' Eco-participation is an optional nightly contribution funding our conservation projects and protecting the beautiful marine ecosystem of Baie Lazare. This participation comprises a 2€ nightly donation which is automatically added to your room bill. Please visit your WiseOceans team at the Marine Discovery Centre to learn more

Price: 2€ per night

Please advise the Reception team should you choose not to participate to this donation scheme

Coral Workshop

During this activity you will learn more about corals, their diversity, coral reefs, and why they are some of the most vital ecosystems. Enjoy this unique opportunity to receive detailed information on coral complexity as well as the chance to observe various coral specimens as well as to learn about restoration methods used in the Baie Lazare Reef Restoration Project.

Price: Complimentary

Wednesday at 3:00 pm - Join us at the Marine Discovery Centre

Duration: up to 45 mins

Ocean Conversation

Satisfy your curiosity and learn all about our oceans and the many species that call them home during our ocean talks. Join our dedicated Marine Biologist and Educator for engaging and informative presentations to learn more about the wonders of our oceans, and our current conservation efforts. Questions are encouraged!

Price: Complimentary
Tuesday at 10:30 pm - Join us at the Departure Lounge
Duration: up to 45 mins

Marine Biodiversity and Discovery of the Beach

Accompanied by our dedicated Marine Biologist, embark on a guided walk along the shoreline of Baie Lazare. During this educational tour, you will learn about the intertidal zone, how coral reefs protect the islands from erosion, and the importance of seagrass. Plus, the opportunity to observe crabs, fish, seabirds or even sea turtles!

Price: Complimentary

Thursday at 10:30 am - Join us at the Marine Discovery Centre
