Group Guided Snorkel

Grab your mask and fins and join our Marine Biologist on an introductory group guided snorkel to discover the stunning Anse Louis! Enjoy the crystal waters and their vast marine life, whilst learning more about the reef inhabitants, and our marine conservation efforts.

Complimentary - Booking Advised - Maximum 4 guests
Tuesday, Thursday and Saturday @ 11:00am - Meet at the Marine Discovery Cabana
Duration: 60 mins

Group Snorkel Lesson

This activity is conducted in the pool and aims at boosting your confidence in the water. Whether you are a non-swimmer, first-time snorkeler, or would simply like to refresh your skills, let our resident Marine Biologist guide you and provide tips on using snorkel equipment, and increase your ability to snorkel.

Complimentary - 1 pax max at a time
Wednesday @ 3:00pm - Meet at the main pool
Duration: 30 mins

Ocean Conversation

Satisfy your curiosity and learn all about our oceans and the many species that call them home during our ocean talks. Join our dedicated Marine Biologist and Educator for engaging and informative presentations to learn more about the wonders of our oceans, and our current conservation efforts. Questions are encouraged!

Complimentary - Thursday @ 3:00pm
Join us at the Marine Discovery Cabana
Duration: up to 45 mins

Coral Conversation

During this activity you will learn more about corals, their diversity, coral reefs, and why they are some of the most vital ecosystems. Enjoy this unique opportunity to receive detailed information on coral complexity as well as the chance to observe various coral specimens. Learn how you can participate to our exciting reef restoration project through our Coral Adoption offer!

Complimentary
Tuesday @ 3:00pm - Meet at the Marine Discovery Cabana
Duration: up to 45 mins

Beach Treasure Hunt

Discover the hidden treasures of the beach! Finish the Treasure Hunt by finding all the animals, plants, and birds on the list. Our Marine Educator will unravel for you all the mysteries of the creatures and plants that call the beach their home while exploring the surrounding coast of Anse Louis. All ages are welcome for in on-land activity.

Complimentary - Friday @ 3:00pm
Meet at the Marine Discovery Cabana
Duration: up to 60 mins

Private Activities

Discover the marine activities you can book privately for a privileged time with our Marine Biologist

Private Discovery Snorkel

During this private activity, you will explore breath-taking Anse Louis and discover its wonderful marine creatures. Learn more about our conservation efforts and be provided with lasting memories of the adventure as your expert guide captures photos during the activity .

Complimentary - Up to 4 guests
Booking on Request - Meet at the Marine Discovery Cabana
Duration: 60 mins

Learn to Snorkel

With easily accessible shallow areas, Anse Louis is the perfect place to discover, or re-introduce yourself, to the underwater world. Whether you are a non-swimmer, first-time snorkeler, or would simply like to refresh your skills, let our resident Marine Biologist accompany you into the water and boost your confidence in using equipment, and in your ability to snorkel

Complimentary - 1 to 1 sessions recommended
Booking on Request- Meet at the Marine Discovery Cabana
Duration: 60 mins

Coral Adoption Workshop

Support our Reef Restoration Project by adopting your own coral or gifting it to a loved one. Our Marine Biologist will give you a detailed coral reef presentation about our coral conservation efforts, and you will receive a virtual Adoption Certificate. By sponsoring a coral, you will leave a lasting legacy - a gift for nature, a gift for the future.

1 coral - 50€

Booking required (24 hours in advance) - Wednesday & Friday @ 11:00am
(Other times on request)

Meet at the Marine Discovery Cabana

Duration: 60 mins

Eco-participation

The WiseOceans' Eco-participation is an optional nightly contribution funding our conservation projects and protecting the beautiful marine ecosystem of Anse Louis. This participation comprises a 10€ nightly donation which is automatically added to your room bill. Please visit your WiseOceans team at the Marine Discovery Centre to learn more.

10€ per night per room

Please advise your dedicated Villa Host should you choose not to participate to this donation scheme

Marine Discovery for Children

Discover our marine activities offer for our young guests.
Join us for unforgettable experiences full of ocean fun!

Ocean Explorer

This is the perfect opportunity for children to build confidence in the water and learn how to use a mask and snorkel. Starting in the pool, or in the shallows of Anse Louis, our expert Marine Educator will provide assistance to develop key snorkelling skills. Once ready, join our resident Marine Biologist to discover the underwater world of Seychelles!

Complimentary - 1 to 1 sessions recommended
Booking on Request - Meet at the Marine Discovery Cabana
Duration: 60 mins

Beach Treasure Hunt

Discover the hidden treasures of the beach! Finish the Treasure Hunt by finding all the animals, plants, and birds on the list. Our Marine Educator will unravel for you all the mysteries of the creatures and plants that call the beach their home while exploring the surrounding coast of Anse Louis. All ages are welcome for in on-land activity.

Complimentary - Booking on request
Meet at the Marine Discovery Cabana
Duration: up to 60 mins

Marine Crafts & Games

Unleash your creativity with our unique Marine Crafts! Create your own bookmarks, paper octopus, manta ray carnival mask, or hanging jellyfish to take home with you. Explore the world of marine creatures through engaging games that reveal fascinating facts. This on-land activity is easily adaptable to all ages.

Complimentary - Booking on request
Meet at the Marine Discovery Cabana
Duration: up to 60 mins

Be a Marine Biologist

This is an immersive experience during which children undertake plankton sampling and shell identification by the beach and use a microscope to observe all the invisible marine creatures that are essential to the ocean, all led by our expert Marine Biologist and Educator.

Complimentary - Booking on request
Meet at the Marine Discovery Cabana
Duration: up to 60 mins
